ADVANCED FABRICS, INC.

## Soft-n-Sheer

# Premium Cut Away Stabilizer Backings

Today's performance knit fabrics require the stability of a high quality backing. Our Soft-n-Sheer premium series cut-away stabilizer backings are acid free, permanent, lightweight, nylon nonwoven fabrics that are ultra-soft against your skin. Excellent stretch resistance eliminates puckering and remains with the fabric for continued stabilization through laundering and wearing.

- Permanent
- Lightweight
- Excellent stretch resistance
- Ultra-soft against your skin
- 100% nylon
- Acid Free
- Perfect for "see through" fabrics where you need to hide stabilizer shadows around embroidery
- **Recommended** for all performance knit apparel (athletic wear, golf apparel, T-shirts)
