January 11, 2013

To Whom It May Concern,

This letter is in response to recent inquiries regarding our products and their conformance to certain provisions of Section 1502 of the Dodd Frank Wall Street Reform and Consumer Protection Act. The act requires disclosure of products that contain tin, tantalum, tungsten or gold that has originated from the Congo or surrounding countries.

After a review of our raw material, additive chemical, process and available test data, I can certify that the following nylon non-woven products do not contain any of the materials referenced in the Act and therefore require no further actions as imposed by the Act.

PBN-II®	Type 30	Vibratex®	Type 24 (<i>black</i>)
Orion®	Type 70	N-Fusion™	Type N23
Cerex®	Type 23	N-Fusion™	Type N30
Spectralon®	Type 38 (<i>black</i>)		

Custom products, including those with color must be reviewed on a case by case basis. If your specific product is not listed above, please do not hesitate to call me at (850) 937-3346 if you need additional information or further assistance.

Sincerely,

Bart Warner
Product Stewardship Lead
Cerex Advanced Fabrics, Inc.
